Prepaid to Solo plan

This plan has been put in place as an optional form of training with the Wellington Gliding Club to provide members with a fixed price for flight training to solo standard. The plan does not guarantee a member his/her first solo flight within the six month time frame and 50 winch launched flights, but experience shows us that students of average ability should attain the standard required for a safe and satisfying first solo flight in one of our two-seater aircraft within this number of flights. All flying done after the first solo flight is charged at normal club rates.

The cost of the plan is \$3,000. This is paid in two instalments of \$1,500 each. The first payment is due at the time of the first flight, and the second once 20 flights have been completed. Refunds or unused pre-payments are not payable or transferable. The plan includes:

<ul style="list-style-type: none">• 1 year's Full Flying club membership• GNZ affiliation fee (1 year)• Log book and training material• 1 year's subscription to "Soaring NZ"	<ul style="list-style-type: none">• Attendance at training lectures• 50 winch launched flights over 6 months

Plan members will enjoy full membership of the Wellington Gliding Club and its facilities and likewise be bound by its rules. Plan membership does not imply or involve any special rights or priorities over other Club members.
